Beloit Testing Records

There were 41 cows that produced more than 40 pounds of butter-fat in the Beloit-Rock County Cow Testing association during February, according to the report of P. Hollinger. The high cow was a grade Holstein from the herd of Rockwell and Katterhenry, producing 1923 pounds of milk and 65.8 pounds of butter-fat.

There were eight herds in the association that had a herd average of 30 or more pounds of butter-fat. The highest herd was that of Rockwell and Katterhenry, which averaged 951 pounds of milk and 34.4 fat. Owner and breed of herd.

BUREAU EXCHANGE LIST TO BE SENT TO MANY FARMERS

The Rock county Farm Bureau will issue a county exchange list within the next week. Considerable livestock, seeds, grains and farm machinery are listed, and the complete list will be distributed to all members.

WIS. FARM VALUES REMAIN IDENTICAL

Farm loan values in Wisconsin on March 1 are almost identical with the values a year ago. Paul Kysus of the state crop reporting service announced. The conclusions are based upon estimated values of farm lands by a crop of 2,000 farmers in all parts of the state, and are reported to the department of agriculture.

The average value of all plow lands in Wisconsin is placed at \$86 per acre. This value is \$12 below the 1918 value, which was given as \$74 per acre. The peak of land values in Wisconsin was reached in 1920, when farmers reported an average of \$100 per acre for plow lands. The 1922 figure, accordingly, indicates a drop in land values in Wisconsin of approximately 13 per cent of the values that prevailed in 1920. The fact that Wisconsin land values were not inflated to the same extent as they were in many of the corn belt states has made unnecessary the extreme drop in values that has occurred in some of the corn belt states.

All farm land with improvements is valued at \$113 per acre, as compared with \$114 last year. Farm land without improvements is valued at \$74 per acre, the same as last year. The average value of cut over lands in 24 northern counties of the state is reported to be \$22 per acre. The 1922 figure was \$25.

MILTON

Milton — P. D. Coon has sold his house and lot on Plum St. to Jesse Saunders. The Triple Tree club will meet Wednesday, p. m. with Mrs. Ruby Steinmetz—Frank R. Lee, New Butler, is spending a few days in town. Miss Clara Sanby of Janesville spent the week end at home. Mrs. L. A. Platts and daughter Jane, of Park Ridge, Ill., are spending the week in the village. The Epworth League of the S. D. B. church met Thursday night with Mrs. A. E. Whitford in honor of Mrs. E. D. Van Horn, of Milton Junction, who is soon to move away. John Paulson spoke in the S. D. B. church in Chicago last week. Mrs. Mary Alexander is visiting friends in Milwaukee. No school in Union high Monday on account of the snow blockade.

BURKE DENIED COURT REVIEW

Washington.—The supreme court announced Monday that it would not review the conviction of Walter Burke in the United States district court in eastern Wisconsin, on a charge of having bribed Herman Herzog, prohibition enforcement officer, in connection with shipments of whiskey into Milwaukee in 1918. Burke was fined \$11,500 and sentenced to five years at Leavenworth.

KOHLER HOUSE TO BE FINISHED IN APRIL

The eight room house of Edgar Kohler, Jefferson avenue, is nearing completion and will be ready for occupancy next month. The roof is covered with green shingles and the sides with large brown ones. A large sun porch is on the south side of the house with a double garage attached to the north side. There are four rooms and a toilet down stairs and the same number and a bath room, up stairs. A hot air heating plant is being installed.

There is a large living room, about 12 by 24, with a 12 brick fire-place on the south side of the room. The upper part of the windows is of English design and the lower part is plain. There is a small hallway, dining room, and kitchen on the ground floor, and the four rooms on the second floor are all bedrooms, while a large storeroom is built over the garage. The carpenters are putting in floors and finishing the floors. The house is one of the most unique in the city, both in architecture and general appearance.

Every man, woman and child who has constipation or constipation symptoms should leave no stone unturned to get instant relief! Keep away from the dangers of pills and cathartics, which are almost as much to be dreaded as constipation itself. Your physician will recommend Kellogg's Bran because it is ALL BRAN—and it is Kellogg's Bran that will give permanent relief if eaten regularly.

Most cases of Bright's and diabetes can be traced to constipation; in its hidden form constipation is responsible for sick headache, nausea, pimples, sour breath, etc. And, no way right here—and guarantee what we say—that Kellogg's Bran, if eaten regularly, will give you permanent relief.

Kellogg's Bran is wonderful as a

food as well as wonderful as a natural means of relieving constipation. Kellogg's Bran contains important mineral salts; it contains elements that are necessary in making bone, tissue and blood—yet, it acts as a sweeper, cleanser and purifier.

Put Kellogg's Bran as a cereal. You'll enjoy its nut-like flavor. Or, sprinkle it on or mix it with hot or cold cereals. Many like it, cooked with hot cereals. Two tablespoonsfuls of Bran should be added in each instance. You have mislaid much not to have eaten Kellogg's Bran made into muffins, raisin bread or many other bakery batches. Recipes on every package. Prominent hotels, restaurants and clubs serve Kellogg's Bran in individual packages. All grocers sell Kellogg's Bran.

MAY MAKE ENGINES STOP FOR AUTOS

Two Weeks' Delay in Proposed Safety Ordinance at Crossings.

Drawing attention to the ridiculousness of requiring hundreds of automobiles and trucks to stop before crossing a railroad grade-track where only one or two such engines go by daily, Ald. J. K. Jensen succeeded in deferring action on the proposed railroad crossing stop ordinance, Monday night, and the matter opened for a more thorough investigation. The ordinance was introduced and given its first two readings before a decision was reached. It was then referred to the hands of the highway committee for a careful study before any such drastic regulations are put in effect.

The ordinance, as introduced at the regular council meeting, Monday night, would compel all highway traffic to come to a complete stop before going over any unguarded grade crossing in the city.

Have Trains Stop at Crossings. Ald. J. Gibbons put a new twist on the safety situation when he suggested that switch-engines on side-tracks be made to stop before crossing a railroad grade-track where thousands of automobiles and trucks look out for the trains.

Side-tracks on route 20, South Main street, the west end of Racine street, and on the north side of North Bluff street, were cited as crossings where automobile traffic outnumbered railroad trains, 1,000 to 1.

"It is certain some regulation is necessary to save lives," declared Ald. L. D. Horn. "We have narrow escapes at crossings every day and it is hardly practical to make all passenger trains stop at each crossing. A heavy freight train coming to a stop at each highway crossing would be a nuisance."

Ald. John C. Hawley voiced a similar opinion. "It has been finally decided for the time being by instructing the highway committee to draw up a schedule of crossings where vehicles should be required to stop and those where trains should stop."

With 10 aldermen necessary to a quorum, Monday's meeting, due to start at 7:30, did not begin until 8:20 p. m. Ald. J. D. Smith arrived at the 10th member. Councilmen absent were: W. W. Menzies, E. H. Ransom, J. J. Sheridan and Maurice J. Weirick.

One of the most important measures adopted at the session finally got under way. A resolution offered by Alderman Harlow authorizing the board of public works to proceed with plans for laying a new street from the Jackson street bridge south to the Eastern avenue outlet sewer. This will make possible the paving of this section of McKee boulevard, which at present is in bad condition.

A claim for \$27 presented by Ernestine Ruchs for injuries suffered on March 25, 1922, was laid over two weeks for further investigation by a vote of 6 to 4. The woman says she fell on an icy sidewalk in front of the East Side fire station, fracturing her left arm and that the city is liable for the damage.

Ald. J. K. Jensen presented a bill authorizing the city to buy a corner of Her lot to partially make up for the error and at the same time improve the bridge approach. Why Sidewalk Delay? Ald. Thomas Spohn asked why a sidewalk on Eastern avenue, just off Center avenue, had not been built although ordered in a year ago. Mayor T. P. Welsh explaining that the delay had been caused because no order had ever been entered to grade the street.

"If any sidewalk is ordered in the fifth ward, I see that it's put in or find out the reason for the delay," replied Alderman Dulin. "It's the business of the aldermen of each ward to see that these things are carried through or know the reason why and not come up to this council and ask why it hasn't been done."

In regard to recommendations made two weeks ago that half-block lights be installed on South Franklin street, Alderman Jensen said he had investigated and found that this street is lighted the same as all others, declaring he could see no reason for adding lights. After Alderman Dulin had argued that more lighting is necessary between Pleasant street and the Janesville Fence & Post company, it was agreed that the entire lighting committee should make a visit to the place some night and report back.

Marye Shortleiff, 315 South Main street, was given a taxidermy license and sign permits were given the Calvin Baking company, 300-04 East Milwaukee street, and Congress Auto Radiator Works, 23 South Bluff street, an air station permit. A permit was also given City Machine company, North Jackson and Wall streets, and a gasoline filling station permit to the Russell Garage, 27-29 South Bluff street.

A protest against Naffie Rice storing junk at 1432 Josephine street developed that he has cleaned up his yard since the protest was filed and will in the future be available for immediate sale to other dealers.

The Kiwanis club was given permission to use the court house park for its second annual Easter egg hunt, March 21. The judiciary committee was instructed to meet the day after election to canvass the returns.

Andrew Hutton Funeral. Funeral services for Andrew J. Hutton, former superintendent of the state school for the blind and the state industrial school for boys, will be held at his home at Waukesha at 1:30 p. m. Wednesday, and at the Congregational church at 2:30 o'clock.

Matt Olin Funeral. Funeral services for Matt Olin, Evansville, will be held at the home at 2 p. m. Thursday, and burial will be in the Evansville cemetery. Mr. Olin was born in Avon township, Dec. 16, 1885, and besides his immediate family is survived by his father, A. C. Olin, of Janesville, and brothers, William, Janesville, and Earl, Janesville, and a sister, Mrs. May Peters, Birchwood, Wis.

Mrs. Elizabeth Little. Mrs. Elizabeth Little, 80, widow of Walter Little, died at 6:20 Monday night at her home six miles west of Janesville in the town of Janesville following an illness of five weeks. Mrs. Little was born in Yorkshshire, England, Dec. 20, 1842 and came to this country with her parents at the age of five. The family located on a farm near Coatesville and she was united in marriage Dec. 31, 1864 to Walter Little.

To this union were born five children, four sons and one daughter, four of whom survive. They are Harvey, Walter and Nellie at home and George, town of La Prairie. A son died in 1921 and Mr. Little, the father, died in 1922. A sister, Mrs. Sarah Little, this city, and two grandsons also survive.

The funeral will be held in this city, Thursday afternoon, at 2 o'clock and will be announced later. Burial will be in Oak Hill cemetery.

Country Mail

TIE-UP WORSE

Road conditions are worse Tuesday than they were Monday, according to reports from rural mail carriers who started out Tuesday morning hoping they would be able to make deliveries. They found, however, that the snow of late Monday night, together with high winds, which shifted toward the south, had filled in gaps that before could be passed through and that in many places it was absolutely impossible to make any headway. The moisture in the snow made it heavy, so that mud to patrons on rural routes which came in as far back as last Saturday will remain undelivered until Wednesday or Thursday. City deliveries are normal.

NEW SUBDIVISION NEAR CHEVROLET

Cunningham Tract on McKee Boulevard Replatted into 31 Lots.

Creation of a new subdivision in Janesville, the first to be platted in several years, was authorized by the council at its regular meeting, Monday night.

The new plat has been established to cover a large tract of land in Spring Brook recently purchased from the General Motors corporation by J. Cunningham and son, Gerald E. Janesville real estate and insurance men. It will be known as Motor subdivision, being located on McKee boulevard, one block east of the Chevrolet Motor company's plant.

The subdivision consists of 31 lots, most of them 50 feet wide, some 64 feet, and all 165 feet deep. The lots are located along the west side of McKee boulevard, extending from the St. Paul main line tracks to the Caloric factory, or George place. While Elliott street and James place were vacated by the council order several years ago at the request of the G. M. Co., State street still intersects Motor subdivision and provision is made for a new street midway between State and George places. For this purpose the General Motors has reserved one lot out of the tract sold to the Cummings.

The plat of the subdivision, made by the city engineering department, had previously been approved by the city plan commission and was given the council's O. K. Monday night, by unanimous vote. Several houses are already located on the property.

100 WAYS To Make Money

By BILLY WINNER

If I Bought and Sold Junk—I WOULD let Gazette Want Ads help me in many ways, both in the buying and selling.

I could get junk through Gazette Want Ads—people would see my message and call me to buy things they otherwise would throw away or store in some attic or cellar.

I could sell junk through Gazette Want Ads, though it might not be junk as most people think of junk. I might buy a used sewing machine, a lawn mower, a sofa, or anything that some one wanted. I could sell it through Gazette Want Ads at a profit. I'd start today to use them consistently.

Doctors to Talk at M. E. Dinner

Medical night will be observed by the Methodist Brotherhood at a dinner at the church parlors at 6:45 p. m. Wednesday, when talks will be given by several members of the profession in Janesville. The local men formed the program because Dr. Charles Mayo, famous Rochester, Minn. surgeon, who was scheduled to speak, is now in Europe.

Dr. Thomas J. Snodgrass, Janesville, president of the Rock County Medical society, will talk on diabetic treatments. Dr. Snodgrass has been treating patients with this disease with insulin, made from the pancreas of animals, one of the latest discoveries in medical treatment. A two year old baby brought to Mercy hospital recently suffering with diabetic coma, was treated successfully.

Dr. Gerald T. Woolf will speak on "Cystoscopy," Dr. R. C. Hartman will

The Wall Flower

By MARION RUBINCAM

SYNOPSIS OF PRECEDING

Pandora Nicholson is so painfully shy that when she meets new people she can think of nothing to say to them and never knows what to do with her hands or feet. She lives as a poor relation with her aunt, a popular actress, Gladys, all of whom frequently tell her that she is hopelessly stupid. Gladys, who has only one friend, Morton, who is like her, whom she loves everything, suddenly marries Morton and faces herself heartbroken.

She goes to New York to live with Gloria Gates, a brilliant, erratic woman, whose little black and white people Pan begins to like herself. She finds that Gloria goes with them that summer to Europe. In Europe Gloria, now a widow, marries a man, leaving Pan in charge of her. Gloria returns to London. He says he has always been in love with Pan.

Chapter 100.

So it was decided that after the wedding "the firm" would belong to Gloria and Pan for the honeymoon. Gloria was delighted, for he hated his hotels, particularly those in desirable "summer" resorts. Pan was delighted for the rambling farm house with its ancient stone beams, its quaint picture-book village and its rolling green country, had appealed to her imagination.

And Pan, full of the importance of her recent engagement, and exceedingly conscious of the finger wedding on the new ring glittered, went out to greet the guests who were there to congratulate her. It was a first assembly of the same party as had first assembled to meet her, the two girls who were so obviously trying to look "smart," and who hadn't an idea as to how to go about it, the young Mr. P. and Ned, and the others.

"I might inform you that I had Pan selected for my Ned," Mrs. Clarke told Gloria as they stood, waiting for a moment watching the guests.

"And I must say Ned didn't seem unwilling," Gloria smiled a little. He didn't say that Ned's name was really and truly in Pan's letters, had upset him enough to make him rush through his work to return to her. Ned would have confessed willingly to such a feeling, but George had a great reserve except with very intimate friends.

It was rather silent during the evening, watching Pan and Gloria. They seemed rather different to her. That night two letters were written to Gloria. Gloria, sitting in

What This Buffalo Physician Has Done For Humanity

The picture which appears here of Dr. Pierce of Buffalo, N. Y., was taken in 1910. As a young man Dr. Pierce practiced medicine in Pennsylvania, and was known far and wide for his great success in alleviating disease. He early moved to Buffalo and got in ready-to-use form, his Golden Medical Discovery, the well-known tonic for the blood. This strength-builder is made from a formula which Dr. Pierce found most effective in diseases of the blood. It contains no alcohol and is an extract of native roots with the ingredients plainly stated on the wrapper. Good red blood, vim, vigor and vitality are to follow if you take this Attentive Extract. Dr. Pierce's Golden Medical Discovery clears away pimples and annoying eruptions and tends to keep the complexion fresh and clear. This condition in a sick stomach, aids digestion, acts as a tonic and purifies the blood. Write Dr. Pierce's Invalids Home in Buffalo, N. Y., and receive confidential medical advice without charge. Makes a Family Supply of Cough Remedy

Really better than ready-made cough syrup and quickly prepared.

If you combined the curative properties of every known "cough" remedy, you probably could not get as much real curative power as there is in this simple home-made cough syrup, which is easily prepared in a few minutes.

Get from any druggist 2 1/2 ounces of Pinex, pour it into a pint bottle and fill with plain granulated sugar syrup, clarified molasses, honey, or corn syrup, as desired. The result is a full pint of really better cough syrup than you could buy ready-made for three times the money. Tastes pleasant and never spoils.

This Pinex and Syrup preparation gets right at the cause of a cough and gives almost immediate relief. It loosens the phlegm, stops the nasty throat tickle and soothes the inflamed membrane, so gently and easily that it is really astonishing.

A day's use will usually overcome the ordinary cough and for bronchitis, croup, hoarseness and bronchial asthma, there is nothing better.

Pinex is a most valuable concentrated compound of genuine Norway pine extract, and has been used for generations to break severe coughs.

To avoid disappointment, ask your druggist for "2 1/2 ounces of Pinex with full directions" and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Ft. Wayne, Ind.

Heart and Nerve Problems

Letters May Be Addressed to Mrs. Thompson, in Care of the Gazette.

Dear Mrs. Thompson: I am a young married woman and have three step-children. They aren't bad, but when they come home from school I get so nervous that I can't stand it. I don't dislike them, but I never say anything to my husband about it. Please tell me how I can be happy.

UNHAPPY STEP-MOTHER.

You ought not to have married a man with children unless you were willing to take the consequences. The only thing for you to do is to conquer your nerves and make the best of the situation in which you find yourself. If you are tactful with the children, you will find them reasonable and willing to play more quietly. And ever growing amusement to Pan.

"I know what it is that makes me so specially happy," she said as they paused on a little hill top to watch the ships dotted on the country side. "It's because I feel I have a place in the world now, because I belong to you. Before, I was of no use to anyone."

THE CITY basketball league se-

AT THE BANQUET of the hatters at the "Y" Monday night it was suggested by "Urexy" Lovejoy that an industrial baseball league on the same order be established—when the snow gets off the ground. While no definite action was taken, the response of the individuals at the tables assured establishment of a circuit and a good one.

THIS brings to mind that Janville is ready to get off the fence more and to jump down into the "push ahead," industry leading up here. Prosperity appears to be just ahead. The city is bound to grow and as it expands there will be need of more contact between individuals, more sociability, more comradeship. Industrial athletes satisfying the gaming instinct, should therefore, be encouraged.
